

MAGNIFICENT MARRIAGE INSIGHTS

Why do some people have a quick and smooth dating journey, while others must travel along a lengthy and arduous dating path?

What is the Torah prescription for working on a marriage?

How are miscarriages viewed through the prism of Torah?

What does the Torah say about changing diapers and taking out the garbage?

Does marriage terminate with the death of a spouse?

This comprehensive book tackles these questions (and a lot more), with life-altering insights and practical approaches. The more than 60 essays found within can facilitate bringing your dating journey to a happy ending and enrich any marriage.
